“THE MYSTERY  
OF FABRIC ID”

*demystified*

Do you have all these WONDERFUL pieces of fabric from YEARS ago in your stash? Do you know, or need to know, if it is cotton, rayon, silk, or polyester? Or??!! Fortunately, recently retired Guild member Joy Nagaue, from Honolulu Community College's Fashion Technology Department is going to do a presentation to help you figure it out, using simple household items. Joy will be in a fabric shop demonstrating testing fabrics. Now, you can sew without worry and know how to care for that special fabric from your treasure. Gather your stash, whatever it is. See you soon. Q & A to follow.

A LITTLE bit of history of Joy. We know she headed the Fashion Technology Department at HCC, retired after 39 years of teaching and was members Sue Larson, Charlotte Szarmes, Carol Kuwahara and Suzette Kahana. Kini Zamora, Manuheelii and Ari Souths' instructor. Did you know that she won the 2014 Governor's Fashion Award and in 2011 was awarded the UH Board of Regent's Excellence in Teaching Award, a recognition given to one instructor from each campus who are nominated by their students? She always generously shares her vast knowledge with the Guild. In the past, she has taught HSFAG members pattern making and sewing - and - having a love for travel and teaching, Joy has led at least 12 fashion tours all over the world for her students, faculty and friends.

**PROGRAMS NOTES: 1 - To enter ZOOM meeting, contact Lei Batty at [hsfagzooms@hsfag.com](mailto:hsfagzooms@hsfag.com) by September 1st. 2 - We will be continuing Zoom meetings until further notice.**

HSFAG is on Instagram! We want followers! When you check Insta every day, see what HSFAG is up to! Stay connected and get inspiration. Look for hawaiiitcheryandfiberarts and hit the blue Follow button.

# *Aileen's Message*

HSFAG PRESIDENT, AILEEN KANESHIRO  
SEPTEMBER 2020 PRESIDENT'S MESSAGE

We had another successful monthly Zoom meeting on August 5. Attendance has been steadily growing and included two guests. Don't forget to invite your friends and relatives to future meetings. There's not much going on on TV and community events are a no-no. Zoom meetings are where it's at!

Lei Batty's presentation on how to make a needle case was very well received. I enjoyed everything about it--the instructions were clear and the visibility of her demo was very sharp. Thanks to her pre-printed instructions, many members were able to share their needle case creations. Each was a unique expression of the member's aesthetics and all were beautiful. Mahalo, Lei!

Our newest board member, Joy Nagaue, will be sharing her knowledge and experience as a former faculty member at Honolulu Community College's Fashion Technology Department. I know most of us have more fabric than we will use in our lifetime--and I also know that that won't stop us from collecting more fabric. Joy will show us how to identify the fiber content of the fabric which will make it easier to determine how they should be used and cared for.

Behind the scenes, our expanding board has been reviewing and revising our bylaws. When all revisions have been completed, it will be presented to the membership for review. Our current newsletter editor, Karen Kuba-Hori, has graciously agreed to be the nominations committee for the 2021 board. If you would like to serve on the board in any capacity, please contact Karen. Fresh faces equals fresh ideas!

See you virtually on September 2!

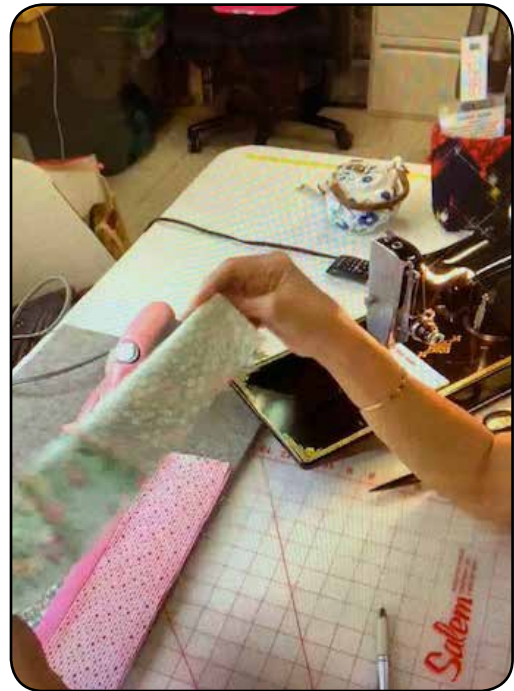

Aloha - HSFAG is looking for Announcements, Advertising, and any other stuff that members would like to get the word out. Things we would consider - Exhibit announcements, member store owners wanting to list a sale or store hours, members needing to sell something, members looking for something . . . literally anything that would be of interest or benefit to our membership. Must warn you, space is limited and will be subject for review and editing. Send all requests to [president@hsfag.com](mailto:president@hsfag.com). Deadline for submission for the next issue, September 15th.
